WHAT: Webinar titled “EPA OAQPS Highlights”

WHEN: Wednesday **April 21, 2021** from 11 am EST to 2 pm EST

WHERE: Virtual presentation using Zoom Webinar

WHY: To discuss EPA updates since our last in-person conference in the spring of 2019. EPA staff will provide a summary of key developments in air emissions measurement and monitoring techniques, tools, and policy from the EPA’s Office of Air Quality Planning and Standards (OAQPS), as well as presentations highlighting new and developing projects.

HOW: The webinar is scheduled for 3 hours and will include four 20 to 50-minute presentations followed by a moderated Q&A session. The virtual format will allow for audience participation using the Q&A feature of Zoom Webinars.
