QSTI Exams at the SSSAAP 2019 Conference

The QSTI/QSTO Paper Exams will be offered at the SSSAAP Conference in Point Clear, AL. Two exam sessions will be offered as shown below. You need to be aware of the times since you should be in the exam room a few minutes before the start of the exam. The times have been set so that you should be able to have lunch as well as complete your exams before the evening events.

Sunday, April 14 -

Session 1 - 13:30 - 15:30

Monday, April 15 -

Session 2 - 13:30 - 15:30

You may bring any written materials you feel you need, such as printouts of the methods (or CFRs), safety manual, calculation sheets, engineering manuals, etc. **You should also bring a calculator with you.** Computers, smart phones, iPhones, etc. **WILL NOT** be allowed.

Since above information concerns the paper exams (not on-line exams), advance registration for the exams are strongly recommended - and required for any Sunday exams. If needed, registration for exams on Monday will be accepted at the conference. Registration forms as well as the fees for the exams can be found at the Eastern Technical Associates website under the QSTI program link ([Source Tester Examination Qualification Programs](#)).

If you have any questions or need any further information about the QSTI/QSTO program, please contact Theresa Lowe at qstiprogram@gmail.com.

If you have any questions about registration for the paper exams, please contact Kristy Radford (kristy@smokeschool.com) or Janie Rose-Lofty (janie@smokeschool.com).
