Opened in 1998, Cattails at MeadowView in Kingsport quickly became recognized as one of the top public golf courses in Tennessee. The course, a Denis Griffiths design, features Bermuda fairways and Bentgrass greens, boasting picturesque holes that lie at the base of scenic Bays Mountain.

The links-style front nine at Cattails at MeadowView offers gently rolling terrain, combined with greenside mounds and bunkers. The back nine features a target golf experience meandering through the woods, highlighted by two memorable risk-and-reward par 5's.

Displaying a moderate number of sand bunkers, a winding stream, six beautiful lakes, wide fairways and large putting greens, it is a fair yet challenging test of golf. Five sets of tee complexes allow golfers of all skill levels to enjoy the challenge posed by this magnificent par 71 layout.
